Motorcycle Accident Attorney: Get the Best One Out There With These Tips

If you have been involved in a motorcycle crash that left you with property damage and extensive injuries, you could be entitled to compensation.

We all know just how dangerous it is to ride a motorcycle. The statistics don't lie. Fifteen of all motor vehicle deaths in California involved motorcycle crashes in 2016, when 566 motorcyclists were killed. This represented an 11 percent increase from 494 deaths in the previous year, says the [CA Department of Motor Vehicles](#). More than 14,000 motorcyclists were injured.

If you have been involved in a motorcycle crash that left you with property damage and extensive injuries, you could be entitled to compensation. You'll need an attorney on your side to make this happen, but don't just choose one at random. To find the [best motorcycle accident attorneys](#) for your case, do your research.

Call Kuzyk Law for a free initial consultation today at 661-945-6969 today. Here are a few questions to ask your motorcycle accident lawyer in Los Angeles.

Do you specialize in motorcycle defense?

Not all attorneys specialize in or even handle motorcycle accidents. You want to narrow your search to personal injury lawyers, and then drill down even further to find one that handles primarily motor vehicle and motorcycle accident cases. An attorney with this specialty deals with the aftermath of motorcycle crashes every day and knows exactly how to prepare a strong case for you.

Look for a law firm that has a high rate of favorable verdicts and settlements.

What is your success rate?

No lawyer will have a perfect 100 percent success rate. Look for a law firm that has a high rate of favorable [verdicts and settlements](#), with experience in cases that are similar to yours. You should be able to find this information on their website or in the free consultation they provide to you. As a motorcycle accident victim, you need a motorcycle accident lawyer in Los Angeles who understands all aspects of injury law, insurance companies, and the local courts to ensure you receive proper financial compensation for your injuries, medical bills, property damage, and pain and suffering.

Can you provide referrals?

It's not enough for lawyers to say they're good. They should prove it too. Ask if the lawyer can provide you with any referrals of recent clients. You can also check the [testimonial](#) page of their website that will illustrate some real examples of real people who have won cases with a particular attorney. Follow up with each and ask if the client would choose that lawyer again if they had to. Were they happy with the outcome of the case? Did the lawyer pay attention to them and return calls promptly? These answers will help you make an informed decision.

**It's not enough for lawyers to say they're good.
They should prove it too.**

Will you be in touch frequently?

There are many facets of the process when you are filing a motorcycle accident injury claim. There are insurance forms to fill out, papers to file, deadlines to meet and research to be done. You want a lawyer who will stay in touch with you on a regular basis to inform you of anything new in the case. They should also be readily available should you need to call them with a question or concern. Any attorney you choose should handle everything necessary to prepare the case, file a claim, find pieces of evidence, and fight for your best interests.
